BARBOURVILLE, KY., FRIDAY, SEPTEMBER 12, 1919

ONE DOLLAR AND FIFTY CENTS A YEAR IN ADVANCE

AEROPLANE PASSES OVER THIS CITY

At 5:10 p. m. Monday, an aeroplane passed over the city, causing great excitement among our people, many of whom had not seen these man made birds of the air before. The machine was headed south-east and was not long in passing beyond the view of the citizens.

FAIR A BIG SUCCESS

The Knox County Fair, which has just passed into history, was a big success, both from the standpoint of attendance and the fact that nothing serious occurred to mar the pleasure of the gathering. Everyone was good natured and seemed bent on enjoying the fun provided, which was of a good, clean order.

The display of fancy work, china and pictures was not all the management hoped for, but what there was was of an excellent character. The fruit, cakes and preserved fruits showed an excellent variety and the fact that sugar may now be obtained in larger quantities was apparent. Apples and peaches were of course scarce, due to the frost.

Great energy was shown by Mesdames W. R. Baillinger, N. L. Hopkins, John E. Oolden and Miss Donna Fuller, in the arrangement of these displays, which were artistically placed.

W. R. Baillinger had charge of the corn and vegetables and these were a proof of what Knox County might do in feeding of the surrounding mines, if it would get down seriously to the growing of more truck. The corn display was a proof also of the excellence of our land for the growing of this important crop.

Individual displays were seen. Mrs. W. P. McKeehan, of Artemus, had on display, canned fruit, pickles, jellies, preserves, chow-chow, cakes and biscuits. Mrs. W. A. Howard, of Baughman, Ky., had an assortment consisting of blackberry and grape wine, preserves, jelly, cakes, molasses, vinegar, potatoes, beans, several kinds of embroidery, needle and crochet work.

G. C. Warfield, from down the river, had some fine corn and vinegar. J. W. Campbell, of Indian Creek, had a nice display of white and yellow corn, sweet potatoes and onions.

Among the things shown in the general canned display were chow-chow, peaches, tomatoes, beets, blackberries, sweet potatoes, rhubarb apples, snap beans and pears; also jellies of crab apples, plums, raspberry, cherry, quince, apples and blackberry.

In the display of field crops and vegetables were white and yellow corn, sweet corn, pop corn, wheat, sweet potatoes, oats, turnips, snap beans, onions, Irish potatoes, beets, squash, water melons, tomatoes, peppers, cabbage, apples, pears, peaches, and dried fruits.

OIL NEWS

J. A. McDermott is starting a well on the I. N. Jones tract No. 2.

The Ken-Flo are drilling well No. 5 on the L. G. Morris tract.

MARLAN VS. BARBOURVILLE

Did you see the hell game at the Fair Thursday? Then we are sorry. If you did not. It was the best game that was ever played in Barbourville according to the enthusiastic fans who got as close to it as the law allows.

Marlan has been many a time conqueror of the clubs in this section and when they started from their native coal burrows, there is no doubt that they expected to hang another scalp to their club belt, but they didn't. It is true that Barbourville also failed to draw blood, but they, like their opponents, played almost perfect ball. Both teams at times seemed about to score, but nothing came of the high hopes felt by the fans of the particular bunch which saw victory in sight.

Bailou, for Marlan, and V. C. McDonald, for Barbourville, did some remarkable pitching for the eleven innings which were played.

The Barbourville line-up was as follows:

McDonald, pitcher, Haden, Catcher, Golden, first base, Jones, second base, Bishop, third base, Edwards, short stop, Felders, Mayhew, Parker and Tye.

REGISTER—FRANKLIN

The marriage of Rev. R. F. Franklin, pastor of the Portland, Indiana, Circuit M. C. Churches, and Miss Frances Willard Register, was solemnized at the Fulton home in that city Monday, August 11th, Dr. E. T. Franklin, President of Union College, Barbourville, Ky., and brother of the groom, reading the wedding ceremony. The honeymoon was spent near Lawrenceburg, Ky.

ON WAY TO WEDDING

Messrs. Austin Craig, Howard Williams, Lawrence Williams, David Gilmer and Norval Cobb came in this week by auto from Knoxville, Tenn., and after being joined by Mesdames Gilmer and Cobb, who have been visiting relatives here, they returned home to attend the wedding of Mr. Austin Craig and Miss Beulah Huddleston which will be solemnized at Maple Lodge, the beautiful country home of the bride's uncle, September 18th. The guests will be entertained at the Whittle Springs Hotel, a health and pleasure resort five miles from Knoxville.

Miss Huddleston has many friends in Barbourville thru the fact that she was a resident here while teaching music at the Baptist Institute and these will wish her the best that life affords in her new estate.

RESTAURANT CHANGES HANDS

The Hinkle Bros. Restaurant has been bought by Clarence Swearingen of Page, Ky., and many innovations will be installed to make this an up-to-date restaurant. In fact, Up-To-Date is to be the name of the new establishment and, as Mr. Swearingen has had considerable experience in this line of business, it is felt he will make a big success of it. Clarence Hinkle will go to Louisville to continue the study of pharmacy.

James D. Black, your fellow citizen, was born of honorable parentage, on Hunting Shirt Branch, Knox County, Ky. He was reared on a hill side farm, a poor farmer boy, just as most of the men who read this were reared. He has never left his mother county in search of wealth or fame. He preferred to spend his life and make his home among the people of his childhood days, and among us he has spent the days of his youth and manhood. He is known, where known at all, as a clean, modest christian gentleman. --Advt.

AT THE CHRISTIAN CHURCH SUNDAY SEPT. 14

Bible School at 9:45 a. m.

The usual services at 10:50 a. m. Sermon by the pastor. Subject: "The Message of the Early Church in Terms of today." No evening services this Lord's Day. Announcement will be made soon as to time when the evening services will be resumed.

Thos. J. Belcher, Minister.

BOIL WATER

Don't forget to boil the drinking water until a new report comes in from Frankfort. Water from the deep well itself has now been sent for examination and the result will be announced. A number of citizens have taken the precaution to take serum treatment owing to the typhoid scare. Meantime, the Board of Health is trying to find means of getting rid of the open sewers on lower Main and the west end of the Square which are a menace to good health.

THE FAIR DANCE

The Fair Dance at the Jones Hotel a week ago Thursday was a big social success, some hundred guests being present. The waltz, fox-trot and one-step were the dances allowed and everything was conducted with decorum. The Williams orchestra supplied the music. Goldenrod was used as decoration. At 12:30 a. m. a buffet luncheon was served.

The dance, which was carefully chaperoned, was one of the most pleasing that has been put on for some time and the dining room of the Jones Hotel makes a fine ball-room.

THE CARNIVAL

The Littlejohn Carnival, which was here last week drew big crowds of fun loving people. The attractions were such that the whole family could attend and enjoy the fun and they did. Though stuff does not go in Barbourville and Mr. Littlejohn has caught on to what decent people want.

FOR SALE

35 Acres of Hill Side Land, 2 1/2 miles from Barbourville, on Big Rich land Creek. 4 Room Box House; good soil. \$800 cash, \$400 down, \$400 in six months. Write or see Henry Centers, Barbourville, Ky. 45-2t.

REPUBLICANS AROUSED

Visitors to State Headquarters Report Widespread Activity All Over Kentucky.

According to reports from every section of Kentucky, the Republicans of the state are thoroughly aroused to the importance of polling a big vote at the election November 4.

Visitors to state headquarters on the third floor of the Republic building in Louisville, a few steps from the Watertown Hotel, are bringing in reports of widespread activity among the Republicans in a determined effort to win Kentucky to Republicanism this fall.

NEW DIRECTOR STATES PLANS FOR R. C. EXTENSION IN THE RURAL DISTRICTS

Do you know that there are 3,700 Home Service Sections now operating under the Red Cross organization in the United States. Of these, 2,900 are in places having a population under 5,000.

With these facts in mind, the Bureau of Rural Organization has been created in the Red Cross Department of Civilian Relief, and Prof. E. L. Morgan, of the faculty of the Massachusetts College of Agriculture, has been appointed director. In the future every Red Cross worker is to be informed as to where the community can get help in other than Red Cross work, and will consider it part of his duty to connect the community with those sources of help.

"There are numerous problems," says Professor Morgan, "which can be met only on the basis of a county. There are a number of counties in which this sort of work has been done and the following has been the general procedure:

"1. A get-together of the county-wide agencies for exchange of plans and projects and for mutual information about the work of each.

"2. A study of the county concerning the outstanding needs of the county as a whole and certain towns in particular.

"3. A conference of the people called by these various agencies.

"4. The presentation by various agencies of their program of work for the coming year.

"5. Some sort of medium through which the county-wide agencies may come together frequently to keep in touch with each other.

"The Red Cross does not assume that it is a correlative agency with a purpose of assembling other bodies.

"It is the plan of the workers to develop rural organizations in the various Red Cross divisions as rapidly as is feasible so that the development of the rural community, the heart and soul of country life, may be brought about."

REPORT SHOWS INCREASE IN HOME SERVICE WORK DURING THE PAST MONTH

While the new work of the Red Cross Home Service sections is being launched throughout Ohio, Indiana and Kentucky, the aftermath of war cases is not being neglected.

The last monthly report from the Civilian Relief office in Cleveland shows 108 home service sections organized in Ohio—106 in Indiana and 144 in Kentucky. These 357 organized hands of workers have dealt with 40,709 families during the month—giving specialized information in 16,716 instances and rendering tangible service in 30,924 cases.

"It Must Have Been Dead at Least 8 Months But Didn't Smell."

"Saw a big rat in our cellar last fall." Writes Mrs. Joanny, and bought a 25c cake of Rat-Snap, broke it up into small pieces. Last week while moving we came across the dead rat. Must have been dead six months, didn't smell. Rat-Snap is wonderful." Three sizes, 25c, 50c, \$1.00. Sold and guaranteed by Wilcox Bros. and Costelloe Drug Co.

MRS. W. F. COSTELLOE

Affectionately Remembered on her Seventy-Second Birthday.

On Monday, September 8th, from 4 to 6 p. m. Mrs. T. D. Tinsley and Mrs. D. C. Talbot entertained at the beautiful home of Mrs. Tinsley in honor of Mrs. W. F. Costelloe, their grandmother, who on that day attained her seventy-second year of youth. Twenty guests joined them in doing honor to "Mama Cos," as they affectionately call her.

Mrs. Geo. F. Tinsley rendered some enjoyable readings of a nature that carried the thoughts back thru the vista of departed years. Refreshments were served most hospitably by Mesdames T. D. Tinsley, Geo. F. Tinsley and D. C. Talbot. Each guest was presented with a flower by Mrs. Talbot.

The delightful gathering consisted of friends who seldom have an opportunity to meet and showed the thoughtful kindness of Mrs. Tinsley in giving old folks pleasure.

Mrs. Costelloe is a remarkable woman and one of whom Barbourville should be proud. She was born in Crab Orchard, Ky., in 1847, and her father came to Barbourville when she was one year old. She has thus seen the growth of the town from infancy to its present substantial condition, and has always been found in the van of progress, owning the second sewing machine, the second piano, and the first typewriter ever brought here.

In 1877 Mrs. Costelloe owned the first millinery and book and book store that was established in town and in 1880 was a Notary Public and successfully engaged in a U. S. mail contract.

In her 49th year she entered the drug business, studied pharmacy and stood a State Board examination in a class with sixteen men. She and two of the men passed the examination, the others failing.

The Costelloe Drug Store and Apartments stand on the site where she was married fifty-five years ago. Her husband, Mr. W. F. Costelloe, who is now 79 years of age, has always been a progressive, possessed of excellent mental qualities and he and his wife still run the drug store.

Mr. and Mrs. Costelloe are a congenial couple and retain a love for the young. They have grown old, but not sour. Their word is as good as a certified bond.

In her younger days Mrs. Costelloe learned to devote her activities of mind and heart to all that tended to uplift and she still retains interest in these things. She was a charter member of the Civic League, of the W. C. B. M. and a member of the W. C. T. U. for thirty-two years paying her dues regularly, was District President of the Pioneer District of the W. C. T. U. and was one of the women who brought Anna Howard Shaw to Barbourville about thirty years ago.

Mrs. Costelloe still retains a steady nerve, clear cut mental faculties and can nearly always be found in the store. She has been an active member of the Christian Church for forty-five years.

LAST "EAGLE" LAUNCHED AT FORD SHIPYARD

500 Ford Bodies Daily to be Made in Plant.

Ford "Eagle" Boat Number Sixty, the last one to be built by the Ford Motor Company under the stipulations of its war-time contract with the Navy Department, was launched at the River Rouge (Detroit) yard August 16th at 3:30 P. M. and the long assembling sniffling which is a third of a mile long and housed 21 of the submarine chasers at one time is already being transferred into a body-building plant with a proposed output of 500 bodies daily.

Ford officials, workers, sailors and many invited guests witnessed the launching. Number Sixty was dressed with flags and bunting and as it found its level in the Rouge and floated free from the railroad tracks which had carried it into the elevator-like launching table, the factory whistle took part in the ceremony by blowing sixty blasts—one for each boat launched at the Ford Yard.

Twenty-five "Eagles" have already been commissioned by the Navy, and it is expected that the remaining boats will be entirely completed by November 1st. One thing which prolonged the work was the changes made in the outfitting of the boats shortly after the armistice was signed. As rapidly as the "Eagles" are commissioned, they are joining different squadrons of the U. S. Fleet. Six of the Ford boats are going to the Philippines to replace six old destroyers and gun-boats; another squadron will join the International Patrol off the coast of China; "Eagles" 1, 2 and 3 are now doing patrol duty adjacent to Archangel, Russia, and it is quite probable that a small fleet will be sent to Italy.

The "Eagles" were designed particularly to carry the submarine detecting devices or "listeners," depth bomb protectors and three-inch guns with which to combat the U-boat once it had been located by the "listener." They are practically noiseless in operation, light, speedy and so constructed that a quick get-away is possible—it being necessary to often stop to "listen" while chasing down a detected sub. Had the submarine destroyers been called into actual service—which only the signing of the armistice prevented—they would have "operated" in flotillas of three.

Commander Nicholas, stationed at the Rouge Yard, said he knew of no statement or report issued by the Navy Department relative to the merits of the "Eagles," but that they have performed remarkably well on their trial trips and all tests given them just before leaving the Ford Yard. And that had they been called into actual service, they would have proven a very formidable enemy to the submarines.

Our philosopher says: Some folks will actually worry about anything. Bill Bowers is nearly crazy because he says, "Tractors are all right for doin' work, but where'll the farmer get manure for his fields if he gives up his mules an' horses?"

Are You A Financial Success?

The American Bankers Association has compiled the following actual life experiences:

AT AGE 22—100 men all strong and vigorous with good mental and physical capacity.

AT AGE 75—63 are dead; 60 of these left no estate; 3 are wealthy; 34 are dependent upon children, relatives or charity for support; 95% of these will not have sufficient means to defray funeral expenses.

PERSONAL MENTIONS

Mrs. D. C. Thibott and two chil-
dren left Wednesday for Indianapolis
and Mrs. J. E. Talbot for Lexington
after a pleasant visit with Dr. Al-
bright's family.

Frank Head, of Montevallo, Ala.
is here for a few days on business.
Mr. Head formerly had a road build-
ing contract in this County, includ-
ing the river road pike and the In-
dian Creek road that was partly fin-
ished.

J. W. Davis, the popular young
harber, went out to Little Poplar
Church Sunday in company with D.
N. Baldwin. While coming down the
hill at Little Brush Creek the vehi-
cle turned over twice, dislocating
one of Mr. Davis' wrists and putting
him temporarily out of business.

D. T. Smith, of Hammons Fork,
was here Tuesday. He is cutting a
considerable quantity of ties, bark
and logs, also farming, which is
some combination of jobs. He says
considerable development is going
on in coal at Horse Creek and the
getting out of staves, logs, ties, and
lumber all along the line of the C.
and M. with switches all full.

FOR SALE — The Nicholson prop-
erty on Pine Street. 10 room house
moderately equipped, newly painted,
new roof, newly papered. Lot about
85 ft. front by 430 ft. Price \$5,
500. Half down, balance in 6 or
12 months notes. Is worth more
money. See Fred Burman, Moun-
tain Advocate, Barbourville, Ky.

Prof. H. C. Mills, of Artemus was
in town Saturday and states that the
attendance at school is 53 plus, in
spite of the fact that diphtheria, chick-
en pox, measles and whooping cough
exist at Artemus. This is a fine at-
tendance and with the present ex-
cellent corps of teachers and the
backing of a live School Board, the
year should be an excellent one edu-
cationally for Artemus.

Nature's Remedy
DR. TABLETS — NO
PAIN — NO

Costello Drug Co. Barbourville, Ky.

"Mrs. Kench Tells How She Got to
Know Rat-Snap."

"Have always feared rats. Lately
noticed many on my farm. A neigh-
bor said he just got rid of droves
with Rat-Snap. This started me
thinking. Tried Rat-Snap myself.
It killed 17 and scared the rest
away." Rat-Snap comes in three
sizes, 25c, 50c, and \$1.00. Sold and
guaranteed by Wilson Bros. and
Costello Drug Co.

They think they have found the
meanest man in Mason County, but
they haven't caught him yet. He is
the fellow who slipped up to an auto
and stole a bucket of blackberries
which a preacher had spent a good
part of the day picking. — Crab
Orchard Sun.

The trouble with preachers is that
they are too fondling. Blooming
sheep in a blooming world full of
blooming wolves. Every preacher
should be made to pass an examina-
tion in the known villanies of his
brother biper, including black-
berry swiping.

Judge S. B. Dishman attended the
Democratic Convention at Louisville
and later went over to Cincinnati on
business. He reports droughty con-
ditions in that section.

J. H. Stanberry who has been visit-
ing friends here, returned this week
to Elkatawa, Ky. where he will be
the guest of his daughter Mrs. H.
B. Jones.

The lack of school books is re-
sponsible for only a partial school
day this week. This is not the fault
of the local people who handle the
books, but the publishers. There
has been much heart-felt bitterness
over the cost of the new school
books. It is felt that the constant
changing of the text books is unne-
cessary and that the public is called
upon to pay a big bill that ought
not to be.

GET READY FOR "FLU"

Keep Your Liver Active, Your
System Purified and Free From
Colds by Taking Calotabs,
the Nausealess Calomel
Tablets, that are De-
lightful, Safe and
Sure.

Physicians and Druggists are advis-
ing their friends to keep their systems
purified and their organs in perfect
working order as a protection against
the return of influenza. They know
that a clogged-up system and a lazy
liver favor colds, influenza and serious
complications.
To cut short a cold overnight and to
prevent serious complications take one
Calotab at bedtime with a swallow of
water—that's all. No salts, no nausea,
no griping, no sickening after effects.
Next morning your cold has vanished,
your liver is active, your system is puri-
fied and refreshed and you are feeling
fine with a hearty appetite for break-
fast. Eat what you please—no danger.
Calotabs are sold only in original
sealed packages, price thirty-five cents.
Every druggist is authorized to refund
your money if you are not perfectly
delighted with Calotabs.—(Adv.)

HomeTown Helps

COUNTRY NEEDS APPLE TREES

Little Danger of a Surplus of Produc-
tion If All of Us Should
Get Busy.

"An apple a day keeps the doctor
away."
With all things taken into considera-
tion the apple stands at the head of
all fruit lists.

It is the favorite fruit in the ma-
jority of homes. The apple is not
only a productive crop, but from a
commercial standpoint a good paying
investment.

The war created such a big demand
and necessity for immediate food that
for the last four years the planting of
all kinds of fruit has been neglected.
Leading authorities state that in order
to meet the requirements of the ever-
expanding apple industry there must
be planted 12,000,000 to 15,000,000
apple trees each year for the next ten
years.

If you own a piece of ground, no
matter how small or large, plant as
much fruit as you can, especially ap-
ples. Remember if you have a small
lot in a suburban town, say 50 by 150
feet, you could plant a dozen trees or
more. If you own the lot and have
not already built your house, start the
trees now; the cost will be small and
the value of your lot increased.

Farmers having plenty of acreage
should plant apple trees in large quan-
tities. It requires no special skill and
very little attention to bring the young
orchard to the bearing age.—Utica
Globe.

HOW TREES BENEFIT STREETS

Ample Demonstrated That They Are
of Practical Value in Prolonging
Life of Roadway.

It has been demonstrated by those
in charge of the work that aside from
the purely ornamental value of trees
along the highway, many practical ben-
efits would result from their proper
use. It is not generally realized that
trees, by means of their shade during
hot summer months, prolong the life
of the roadway for many years, and
road experts in general are heartily
in favor of this means for road pro-
tection.

Due to the emergencies of war work
it was found necessary to keep many
of the highways which formerly had
not been used for travel in winter open
and free from drifting snows. That a
demand will be made for keeping these
roads open in the future is certain, and
in place of many expensive and un-
sightly snow fences which now line our
more open stretches of highway it has
been found that much of this work can
be performed equally as well by the
proper grouping of trees and shrubs
along the open areas. More general
planting of fruit and nut trees along
the state highways will be recom-
mended.

Need for Library Work.

Librarians in the war camps say
that the need of libraries in all towns
and neighborhoods in the United
States will be more acutely felt here-
after than in the past. The men re-
turned from the army, when scattered
over the land, will, it is held, wish to
continue their reading, and will be
restless if denied the opportunity.
Consequently, although it may be nec-
essary to postpone the book distribu-
tion scheme tentatively decided upon
by the American Library association,
the plan should be kept well in view,
subject only to such simplification as
may be necessary to meet all the re-
quirements of the case. The returned
American soldier who likes to read
should be afforded the opportunity
always.

N C FOUR DRIVEN BY FORD MOTORS

"Engines Functioned Perfectly."
Said Lieutenant Commander Read
Who Commanded Big Seaplane.

The Ford Motor Company has just
received official advice from the
Navy Department that it was four
Ford Liberty Motors—all built in
the Ford Motor Company's shops at
Detroit—which furnished the power
that drove the NC Four to victory
in its recent record breaking flight
across the Atlantic from Tripassey,
Newfoundland, to Plymouth, Eng-
land, a distance of 4,000 miles.
They were regular stock motors
built during the war as a part of the
Ford Liberty Motor production.

Upon his arrival in Lisbon, Por-
tugal, Lieutenant Commander Read
said, "The engines functioned per-
fectly all the way from America to
Portugal." And American Naval Of-
ficers, who thoroughly inspected the
NC Four upon its arrival at Ply-
mouth, England, stated that the big
seaplane was in even better condi-
tion than when it left America.

The NC Four flight, which has
meant a triumph for American en-
gineering skill, also adds another re-
cord to Ford achievement.

A Coated Tongue? What it Means

A bad breath, coated tongue, bad
taste in the mouth, languor and debility
are usually signs that the liver is
out of order.

PROF. HEN-
METTER says:
"The liver is
an organ
secondary in
importance
only to the
heart."

We can man-
ufacture poisons
within our
own bodies
which are
as deadly as a snake's venom.

The liver acts as a guard over our
well-being, sifting out the cinders and
ashes from the general circulation.

A blockage in the intestines piles
a heavy burden upon the liver. If
the intestines are choked or clogged
up, the circulation of the blood
becomes poisoned and the system
becomes loaded with toxic waste,
and we suffer from headache, yel-
low-coated tongue, bad taste in
mouth, nausea, or gas, acid dys-
pepsia, languor, debility, yellow skin
or eyes. At such times one should
take castor oil or a pleasant laxa-
tive. Such a one is made of May-
apple, leaves of aloe and jalap, put
into ready-to-use form by Doctor
Pierce, nearly fifty years ago, and
sold for 25 cents by all druggists as
Dr. Pierce's Pleasant Pellets.

MILLIONS SUFFER FROM ACID-STOMACH

The Greatest Remedy
On Earth—Acid
Iron Mineral

Millions of people suffer year after
year from ailments affecting practi-
cally every part of the body, never
dreaming that their ill health can
be traced directly to acid stomach.
Here is the reason: poor digestion
means poor nourishment of the dif-
ferent organs and tissues of the body.
The blood is impoverished—becomes
weak, thin, sluggish. Allments of
many kinds spring from such condi-
tions. Biliousness, rheumatism,
lumbago, sciatica, general weakness,
loss of power and energy, headache,
insomnia, nervousness, mental de-
pression—even more serious ail-
ments such as catarrh and cancer of
the stomach, intestinal ulcers, cir-
rhosis of the liver, heart trouble—all
of these can be traced often di-
rectly to acid stomach.

Keep a sharp lookout for the first
symptoms of acid stomach—indige-
stion, heartburn, belching, food re-
peating, that awful painful bloating
after eating, and sour, gassy stomach.
ACID IRON MINERAL, the wonder-
ful modern remedy for acid stomach,
is guaranteed to bring quick relief
from these stomach miseries. Thou-
sands say they never dreamed that
anything could bring such speedy re-
lief—and make them feel so much
better in every way. Try ACID
IRON MINERAL, and you, too, will
be just as enthusiastic in its praise.
Make your life worth living—no
aches or pains—no blues or melan-
choly—no more of that tired, flat-
less feeling. Be well and strong.
Get back your physical and mental
punch; your vim, vigor and vitality.
You will always be weak and ailing
as long as you have acid stomach.
So get rid of it now by taking ACID
IRON MINERAL. Also call for AIM
Pills and take one every night until
stomach, kidneys and liver are re-
lieved.

Manufactured by the Ferrodine
Chemical Company, Roanoke, Vir-
ginia. R. J. Cassidy, Manager for
the State of Kentucky and the State
of Indiana. 45-41

SWAN LAKE NEWS

Mr. and Mrs. Everett Ellison, of
Williamsburg, visited relatives at
this place this week.

sister, Mrs. Alzie Anderson, of
Gaudale.

Charles Fredrick and family, of
Ely, visited his sister, Mrs. Cora Mc-
Donald, this week.

W. P. Loftice was called to Vir-
ginia last week on account of the
death of his brother.

Minnie and Verda Loftice were
the guests of Mary and Dela Powell
on Thursday.

Mrs. Sarah McNeill and daughter
were the guests of Mrs. Sadie Engle,
of Lindsay, on Friday.

The joyal meeting closed Wed-
nesday night.

DEATHS

Mrs. Mollie May Fuston, aged 42
years, Sept. 2nd.

Joseph W. Foley, aged 31 years,
Sept. 4th.

Helen Broughton, daughter of
Delbert Broughton, aged 4 years,
Sept. 5th.

NOTICE

We have received a number of
complaints that the Advocate is not
being delivered to subscribers and
wish to take up the matter with the
Postmaster General.
Will our subscribers who fail to
receive the paper regularly advise us
so we may quote definite cases.

Fiery Itching and Burning of Skin Is a Most Cruel Torture

Sure Speedy Relief in S. S. S.
Why suffer from these persistent eruptions when it is so easy and costs so little to do as thousands of others have done and get relief through S. S. S.? It is now well known that eczema comes from the blood. By giving the blood a thorough cleansing you not only get sure and speedy relief but you also build up the system and renew your vigor and vitality. This good medicine has stood

the test of 50 years as one of the greatest blood cleansers known. It is guaranteed entirely free from minerals of any kind.
The experience of others has established the unfailing merits of S. S. S., and there's no question about the wisdom of your giving it a thorough trial. All reputable druggists sell it. If in doubt as to your case write to Medical Advisor, Swift Specific Co., Dept. 54, Atlanta, Ga.

County examinations for teachers certificates, County and State, will be held in Harboursville, September 19th and 20th.

Mrs. Catherine Swearingen will arrive Thursday from Harboursville and will be the guest of Mrs. James D. Black and family at the Executive Nanslon.—Frankfort, Ky., Journal.

J. M. McNeil, formerly with the U. S. Radio Station, Elizabeth, Me., is now auditor for the Wisconsin Power, Light and Heat Co. at Madison, Wisconsin.

For a Weak Stomach.

The great relief afforded by Chamberlain's Tablets in a multitude of cases has fully proven the great value of this preparation for a weak stomach and impaired digestion. In many cases this relief has become permanent and the sufferers have been completely restored to health.

Charley Mitchell and wife are spending several days visiting Pittsburgh, Philadelphia, Niagara Falls, New York, Washington, D. C. and Huntington, W. Va.

Mr. Wm. A. Croley and sister, Mrs. Nora Tye, will visit their friends in Louisville, Ky. and afterwards Mr. Croley will return to school in Frankfort, Ky.

HELPS WEAK WOMEN Protects Young GIRLS

Regulates, tones up, drives away "the blues" and makes them glad they're living. The prescription of an old Southern doctor who treated and cured thousands of suffering women.

STELLA-VITAE

is also good for young girls—to bring them safely through the period of adolescence which all mothers know is a time at which their daughters need the utmost care.

At all drug stores. MONEY REFUNDED if the first bottle fails to benefit.

THACHER MEDICINE CO.
Chattanooga, Tenn., U. S. A.

Mrs. Parlee Frazer, Longview, Tex., expressed appreciation of STELLA-VITAE in these words: "I cannot say too much for this wonderful medicine. I had taken other female medicines for two years with no good results. I am truly grateful for the good STELLA-VITAE has done me."

Immediately the report was made that the City water showed contamination the reservoir and pipes were cleaned out and treated with chloride of lime. This immediate action is to be commended.

Rev. W. H. Minton and Mrs. Minton are back from a trip to the Presbyterian Mountain Mission beyond Hyden. They made the forty miles between Garrard and Hyden on horse back.

The death of Helen Broughton the four year old daughter of Mr. and Mrs. Delbert Broughton, of Cannon, occurred Monday, September 8th, the cause of death being diphtheria. Mrs. Broughton was formerly Miss Chelso Cannon and the many friends of the family will sympathize with them in their sorrowful loss.

IT'S UNWISE to put off to-day's duty until to-morrow. If your stomach is acid-disturbed take

KI-MOIDS the new aid to digestion comfort today. A pleasant relief from the discomfort of acid-dyspepsia. MADE BY SCOTT & BOWNE MAKERS OF SCOTT'S EMULSION

H. C. Frederick, of Emanuel, was in Wednesday to pay his subscription. He says corn is good except in spots. Some of his own hillside land will make as high as thirty-four bushels to the acre.

Joe Foley died Thursday at his home on Indian Creek following an attack of blood poison caused from a small abrasion on one of his toes. He was buried in the old Foley graveyard on Friday.

The Health Board asks all citizens to boil drinking water and all water to be used cold for washing uncooked vegetables and rinsing utensils for thirty minutes before using. Please don't forget.

Mrs. V. C. McDonald and her mother, Mrs. G. M. Faulkner, are back from Ashville, N. C. and Knoxville, Tenn. where they visited Mrs. McDonald's brothers. They had a delightful trip with fine cool weather.

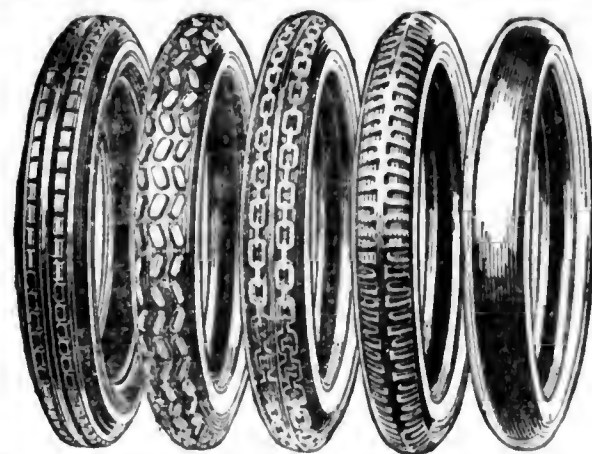

Mrs. W. F. Costello and Mrs. John A. Black left today for Frankfort where they will visit the Governor's family. Mrs. Costello will also visit in Lexington and Louisville and Mrs. Black will visit friends at Richmond, Ky.

Mrs. J. A. McDermott, Miss Mary McDermott, Miss Roberta Cole and the two Lyons boys went to Williamsburg Monday by auto. Anne Davis, of Williamsburg returned with them bushels to the acre.

W. M. Dismann, recently returned from Colombia, has travelled over 35,000 miles this year. He likes Colombia and states that there are many good business opportunities in that country.

Frank Green, of Scott County, Texas, was here last week visiting Capt. Wm. McDaniels. Mr. Green was born at Amy, Clay County and is a natural violinist, carrying his violin, a Stradivarius, with him wherever he goes.

We regret to announce the death of Mr. John R. Belcher, father of Rev. T. J. Belcher, pastor of the Christian Church, who passed away at his home at McMinnville, Tenn., Tuesday morning of last week. The interment took place the following day, Rev. Belcher arriving in time for the last rites. Happily, he had been able to visit his father some three weeks ago, while he was yet conscious. The sympathy of our people will go out to Rev. Belcher in the loss of his father.

'Royal Cord' 'Nobby' 'Chain' 'Usco' 'Plain'

See the big Nobs

The 'Nobby' is a big rough husky fellow. The tire they are all talking about.

A great road gripper—a sure enough non-skidder and non-slipper.

Makes easier riding and easier driving. More safety, more comfort—more mileage.

'Nobby' is a United States Tire, —which means none better. Just right for our roads.

United States Tires are Good Tires

We know United States Tires are Good Tires. That's why we sell them.

MISSIONS NEEDED ALSO IN HOMELAND

SECRETARY GRAY OF HOME
BOARD SETS OUT SITUATION
CONFRONTING SOUTHERN
BAPTISTS THERE.

\$12,000,000 IS GOAL SOUGHT

This Sum Will Be Laid Aside From
Baptist 75 Million Campaign For
Work Among Negroes, Foreign-
ers and Other Projects.

While \$20,000,000 of the \$75,000,000 to be raised in cash and five-year pledges by the Southern Baptists between now and December 7th will go to foreign missions, \$12,000,000 will be devoted to missions at home. It has been officially announced. Home missions is regarded by the Baptists as quite as essential as foreign missions, the larger sum being set aside for the latter cause by reason of the larger field to be covered—practically the entire world.

DR. B. D. GRAY,
Of Atlanta, Ga., Secretary of Home
Missions for the Southern Baptist
Convention.

"Twelve million dollars is a large figure when compared with what we have been doing heretofore," Dr. B. D. Gray, corresponding secretary of the Home Mission Board at Atlanta, declares, "but it is very reasonable in comparison with our ability and small in comparison with the needs of the Home Mission fields."

Setting forth the particular obligation which confronts America since the war has transferred the center of education from Europe to this country, Dr. Gray says: "This brings a new day of opportunity and responsibility to our people. Our schools and colleges must be strengthened and endowed. They must be made thoroughly Christian in fact as well as in the ory. In this way we are to counteract the vicious ideals of Germany and her allies in the world war. Our youth must be trained on proper lines as to religion and ethics. This can be done best in our denominational schools." Some of the educational institutions fostered by the Home Mission Board are the forty mountain schools, serving 3,000,000 residents of the South living in mountainous territory where public high schools are lacking. Fully \$10,000,000 could be used to advantage in strengthening the equipment and teaching force of these schools. It is estimated, so great is the need.

Another demand of the home field is the 4,000 church organizations in the South which need assistance in the erection of suitable houses of worship, while more pressing still is the problem created by the presence in the South of 10,000,000 negroes. Speaking of the negro problem, Dr. Gray says: "They are of more vital concern to us than any hundred millions of people anywhere else in the world. Socially, politically, economically and religiously they constitute our greatest task and we neglect them at our own peril as well as their infinite loss. Racial relations are tense and the situation calls upon Southern Baptists for a worthy program in behalf of the religious uplift of our brothers in black. We must lead them in sane missionary and evangelistic work and likewise in the development of their religious life on sane and helpful lines. We need a large company of the best, wisest and strongest negro evangelists and teachers who shall help us to lift up their race and make them worthy and worth while as Christian citizens."

That work among the foreigners in the homeland offers the best and most economical opportunity for missionary labors among them anywhere, is the declaration of the Home Mission leaders. These foreigners are in the fields, mines and factories and are a vital part of our civilization. This work among the foreigners not only gives them the Christian religion, but makes them more contented and better American citizens. It is pointed out.

Great hopes for the future of the church in the South are held out in the enlarged program of evangelism and enlistment which the Baptist 75 Million Campaign will make possible. The Home Board hopes to win from 200,000 to 500,000 people in the South who are not Christians during the period of the campaign.

I AM GLAD TO ENDORSE PE-RU-NA

Glad to Try Anything

"Three years ago my system was in a terribly run down condition and I was broken out all over my body. I began to be worried about my condition and I was glad to try anything which would relieve me. Peru-na was recommended to me as a fine blood remedy and tonic, and I soon found that it was worthy of praise. A few bottles changed my condition materially and in a short time I was all over my trouble. I owe my restoration to health and strength to Peru-na. I am glad to endorse it."

IDEA WELL WORTH COPYING

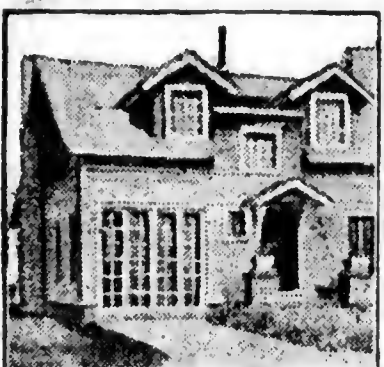

Tree-Planting Campaign Along Victory
Highway in Texas Is a Step in
the Right Direction.

People in other parts of the United States should find inspiration in the tree-planting campaign undertaken by the residents of Bell county, Texas. These thoughtful citizens have subscribed liberally to a fund which is being used to beautify the Temple-Bellton road, or Victory highway. At every interval of thirty feet a tree is planted on either side of the road, numbered, and dedicated by the person who plants it to some Bell county soldier who fought in the great war, while a label on the tree gives the name and title of this soldier. With each tree are planted also two pecan nuts and two walnuts. If these produce seedlings, the owner of the tree may take his choice of one of these seedlings or the original tree. Here is a combination of patriotism, estheticism, and utility. The Victory highway will be useful as well as ornamental for generations to come. It will be sought by the tourist of the future not only for its beautiful shade, but out of sheer respect for the good taste and good sense of the people who designed and developed it.—Christian Science Monitor.

ARCHITECT HAS DONE WELL

Somewhat Difficult Task of Combining
House and Garage Accomplished
With Good Results.

Many attempts to incorporate a garage in a modern house have left much to be desired in the way of architectural effect. Such a dwelling as is shown in the accompanying illustration.

A Lakeside Cottage in Which a Garage
Has Been Incorporated in a Way
That Is Unusually Pleasing. The
Long Glass Doors Suggest a Conservatory or Sun Parlor, Rather Than
a Garage.

tration, therefore, attracts favorable interest because of the architect's happy solution of his problem. Artistic doors, made like French windows, afford ingress to the garage at the left of the dwelling entrance, the exterior appearance suggesting a sun parlor rather than a motor car shelter.—Popular Mechanics Magazine.

TAX NOTICE, CITY TAXES 1919
Taxes for 1919, due the City of Barboursville, Ky., are now due and payable to the undersigned, at the office of the Treasurer in the City Hall, where he will be in daily attendance after the 10th; or can be reached by telephone at A. N. Herndon's Store.

A penalty of six per cent. is added on November 1st. Take advantage of the time intervening to pay without penalty.

This September 8th, 1919.
John M. Tinsley,
City Treasurer

**Herndon & Payne

You will see.

Herndon & Payne, Barboursville, Ky.

BEREA'S FIVE DEPARTMENTS Open Sept. 17

The five great schools that run under the name of Berea College, or Berea Alliance, open the first term on Wednesday, Sept. 12. The number of students applying for admission in the mountain region is so great that it has been decided that no additional students from the north and from the Bluegrass can be received this year.

Among the new members of Berea's working force are several men whose coming is of large significance. The Red Cross is placing Prof. G. E. King at Berea to conduct special courses for training community workers and social service. Dr. Carl T. Wauha, now a member of the Y. M. C. A. army work and formerly a professor of philosophy at Beloit, comes as dean of the collegiate department and professor of education. Rev. Dr. Hutchins, formerly pastor of Washington Gladden Church, of Columbus, Ohio, will be temporary pastor of the Union Church, and Prof. H. H. Groves, of Tennessee, will take the place of Prof. Hunt of the Normal Department for a year, while Prof. Hunt gives his services to the Red Cross.

A TWO-FOLD DUTY

Many thoughtful mothers first
give their children

Scott's Emulsion

regularly—and then take it themselves. It is a tonic-food that contains elements as useful to an adult as to a child. Build up your strength—try Scott's.

Scott & Bowne, Bloomfield, N. J.

Read What U. S. Dept. of Agriculture Says About What Two Rats Can Do.

According to government figures, two rats breeding continually for three years produce 359,709,482 individual rats. Act when you see the first rat, don't wait. Rat-Snap is the surest, cleanest, most convenient exterminator. No mixing with other foods. Dries up after killing. Leaves no smell. Cats or dogs won't touch it. Sold and guaranteed by Wilson Bros. and Costello Drug Co.

SALESMEN WANTED

To solicit orders for lubricating oils, greases and paints. Salary or Commission. Address, THE LENOX OIL & PAINT CO., Cleveland, Ohio. 45-21

Reasons!

Why you should use Cardui, the woman's tonic, for your troubles, have been shown in thousands of letters from actual users of this medicine, who speak from personal experience. If the results obtained by other women for so many years have been so uniformly good, why not give Cardui a trial?

Take

CARDUI

The Woman's Tonic

Mrs. Mary J. Irvin, of Cullen, Va., writes: "About 11 years ago, I suffered untold misery with female trouble, bearing-down pains, headache, numbness. I would go for three weeks almost bent double. My husband went to Dr. for Cardui. . . . After taking about two bottles I began going around and when I took three bottles I could do all my work." E-50

JUDGE F. D. SAMPSON INTERVIEWED

In a recent interview given to the Republican Call, Newark, N. J., Judge F. D. Sampson, of the Court of Appeals, Frankfort, states that Republicanism is steadily gaining ground in Kentucky. He gave excellent reasons why Ed. Morrow should and will be elected Governor and quoted the election of King Swepe to the national legislature as showing the signs of the times.

ROBERT SHARP HOME

Robert Sharp, son of Mr. and Mrs. Craig Sharp, of King, was in town Tuesday looking around after two years' service in Uncle Sam's Navy. He enlisted May 23, 1917, was sent to Norfolk, Va., and during the war crossed the Atlantic between New York and France making ten trips in all, as fireman, one of the most dangerous jobs had the ship been hit by a torpedo. He has to serve two years yet and is now stationed at Seattle, Washington, with the U. S. Cruiser Montana. It is probable the ship will later go to China.

LEXINGTON MAN GIVES REASONS FOR HIS BELIEF

Johnson Thinks Benefits Gained Justify Glowing Tribute Paid Trutona

Lexington, Ky., Sept. 11.—"Because of relief I've gained I feel that I'm justified in saying that Trutona gave me more benefits than any other medicine I've ever taken." Rue sel Johnson, 66 years old, a retired furniture dealer and well known Lexington resident of 405 South Lime Stone St., said recently.

"For many years I've been troubled with constipation," he continued. "I had taken laxatives constantly. I would become so dizzy at times that I could hardly get around. I was nervous and restless at night—so bad I couldn't sleep. Headaches bothered me constantly."

"The relief I've gained in Trutona has caused me to hope that others will try the new medicine and become convinced as I have. My bowels act with clocklike regularity now I don't experience the dizzy spells any more and my appetite is much better than before. I'm glad to recommend Trutona."

Mr. Johnson has voiced the opinion of thousands of people who have tried Trutona and found the perfect tonic to be unsurpassed as a reconstructive agency as well as a most successful combatant of stomach, liver and bowel troubles, nervousness, sleeplessness, and the like. Trutona is now being introduced and explained at the Costello Drug Store.

Camels are sold every-
where in scientifically
sealed packages of 20
cigarettes or ten pack-
ages (200 cigarettes)
in a glassine-paper-
covered carton. We
strongly recommend
this carton for the
home or office supply
or, when you travel!

R. J. Reynolds Tobacco Co.
Winston-Salem, N. C.

18c a package

CAMELS are the most refreshing, satisfying cigarette you ever smoke! Put all your cigarette desires in a bunch, then buy some Camels, give them every taste-test and know for your own satisfaction that in quality, flavor, smooth-body and in many other delightful ways Camels are in a class by themselves!

Camels are an expert blend of choice Turkish and choice Domestic tobaccos. You'll not only prefer this blend to either kind of tobacco smoked straight, but you'll appreciate the remarkable full-bodied-mildness and smooth, refreshing flavor it provides! Camels are a cigarette revelation!

Camels win you in so many new ways! They not only permit you to smoke liberally without tiring your taste but leave no unpleasant cigarette aftertaste or unpleasant cigarette odor!

Compare Camels with any cigarette
in the world at any price! You'll
prefer Camel quality to premiums,
coupons or gifts!

CORBIN DANCE

Corbin Dancing Club gave a delightful dance at the Odd Fellows Hall on Friday night and the following Barboursville people went over to take part in the dancing: Mrs. G. W. Tye and three daughters, Misses Jewel, Drucilla and Lillydale, Miss Helen Lyttle, Mrs. Wright and several gentlemen from Manchester. Miss Mary Agnes Heldrick, Mrs. J. A. McDermott and daughter, Miss Mary, Charley and William Lyon. They report an enjoyable time.

Recent figures from Washington show the value of Agriculture Club work for boys and girls in school. Records kept by pupils in rural schools prove conclusively that club members invariably have better marks than those children not in clubs.

Chamberlain's Cough Remedy.

This is not only one of the best and most efficient medicines for coughs, colds, croup and whooping cough, but is also pleasant to take, which is important when a medicine must be given to children. Chamberlain's Cough Remedy has been in use for many years and has met with much favor wherever its good qualities have become known. Many mothers have given it their unqualified endorsement. Wm. Seruby, Chillicothe, Mo., writes: "I have raised three children, have always used Chamberlain's Cough Remedy and found it to be the best for colds, coughs and croup. It is pleasant to take. Both adults and children like it. My wife and I have always felt safe from croup with it in the house." Chamberlain's Cough Remedy contains no opium or other narcotic.
